Listening to the Spirit

When Superior General Arturo Sosa, SJ, introduced the Society of Jesus' Universal Apostolic Preferences in June 2019, he wrote, "[The Apostolic Preferences] seek to help Jesuits *and our companions in mission* to make their apostolic lives a pathway to God. We want to invite all people to follow the path opened up by Jesus of Nazareth, a path on which we ourselves are walking, following in his foot-steps, encouraged by his Spirit."

Dear friend, we emphasized the words "our companions in mission" because you were personally invited to walk with us as we share the life and mission of Jesus Christ. Your enthusiastic and generous acceptance of that invitation humbles us.

Your gifts of time, talent and treasure support the Jesuits of the province – our senior men, our men in formation, our missionaries and all the other Jesuits serving in apostolates across 12 states and beyond. In so doing, you also support the mission of Jesus Christ.

The Universal Apostolic Preferences were gifts of the Holy Spirit, who continues to lead us. Thank you for joining us on the journey.

The Universal Apostolic Preferences of the Society of Jesus:

To show the way to God through the *Spiritual Exercises* and discernment;

To walk with the poor, the outcasts of the world, those whose dignity has been violated, in a mission of reconciliation and justice;

To accompany young people in the creation of a hope-filled future;

To collaborate in the care of our Common Home.

DONOR HONOR ROLL

Cumulative giving from July 1, 2022 to June 30, 2023

Peace of Christ!

Thank you for your generosity and support of the Jesuits USA Central and Southern Province this past year!

I hope you enjoy reading the annual report. In it you will find the names of so many of our friends who make possible the work we

do within the confines of our province and further afield. I want to say in these few lines just how grateful I am to you personally for your continued faith in the mission of the Society of Jesus. Your faithfulness strengthens our presence and works amidst all those we encounter for God's greater glory.

I hope you enjoy seeing the great photos that accompany the countless names contained in this report. They show the vitality and expanding apostolic ventures of our province.

So many of our friends express gratitude to the Jesuits in our province for all they do in the Church. On their behalf I thank you for your words of encouragement. We rely on you to be able to commit to all our province does each year. Your gifts go to supporting our men in formation; the care of our elderly Jesuits in the golden years of their lives; as well as the many apostolic ventures our Jesuit province undertakes outside of our traditional parishes, schools, universities and retreat houses. We simply could not do all of this without your selfless gifts.

St. Ignatius, in his spiritual exercises, reminds us that love expresses itself more in deeds than in words. I pray that your concrete decision to show your love for us brings down God's blessings upon you. Please know that each Jesuit, every single month, offers a Mass for the intentions of all our benefactors.

God bless you and thank you!

– Very Rev. Thomas P. Greene, SJ
