O God, loving Father: in baptism you clothed with Christ your servant Pedro Arrupe and you called him to follow you in spiritual poverty in the Society of Jesus, listen to our prayer benevolently. He delivered himself to you completely, in missionary activity, and in the guidance of his brothers; in time of health, as in the hour of infirmity.

Moved by the Holy Spirit, you placed him at the service of faith, making him a master of discernment and meek servant of the justice of the Kingdom.

With trust we pray, in imitation of Jesus Christ, poor and humble, whom he loved deeply, that Father Arrupe be recognized as a model of evangelical life and prophetic witness in the world, encouraging us to become in every culture "men and women for others."

By his intercession, and for your greater glory, I ask you now for this particular grace [...] that you grant to me, as long as it is for your service and praise.

Through Christ, our Lord. Amen.

Please communicate any favor received through the intercession of the Servant of God Pedro Arrupe:
